

# The **G**etaway

"Millions of men have lived to fight, build palaces and boundaries, shaped destinies and societies; but the compelling force of all times has been the force of originality and creation profoundly affecting the roots of the human spirit" *Ansel Adams*

The Getaway by MossCreek is an original creation that establishes a place of retreat for the "human spirit". Log, stone, timber, and glass elements in the home create a natural setting for the perfect "getaway."
